## YesLaw Transcript Generator

This Agreement (“Agreement”) is executed as of the above date by and between YesLaw, a Division of Stenograph ("YesLaw") and Licensee (“Reseller”) as defined above. Reseller desires to utilize YesLaw software for conversion of text or ASCII court reporter transcripts to PDF formatted transcripts for the purpose of reselling them to lawyers, law firms and other legal professionals (“End Customers”).

## YesLaw Transcript Generator

The YesLaw Transcript Generator is software to run on Windows PCs that converts court reporter text or ASCII-formatted transcript files to PDF-formatted, full and condensed transcripts. The software includes utilities to quickly add hyperlinks to embedded exhibit files and create a fully hyperlinked word index.

## YesLaw Software Licensing Fees

For creating PDF-formatted transcripts, Reseller agrees to the following fees, which will not be charged without the reseller approval after the 30 day free trial period and submission of fee Agreement:

YesLaw Transcript Generator per site monthly fee	\$75.00
Video Deposition and Document Hosting Site per month minimum, includes branded landing page, includes initial 100 GB hosted storage	Included

Software updates, technical support and product training are included for Transcript Generator Resellers.

Current YesLaw Transcript Generator Software Resellers may use the YesLaw Online without additional charge, upon submission of full Agreement for software licensing fees.

## Payment Terms

In consideration for the rights granted hereunder, Licensee shall pay all fees due to YesLaw within 30 days of incurring the fees. Licensee shall make payments either by check mailed to YesLaw or through credit card payment. If licensee is more than 30 days past due, YesLaw reserves the right to either charge the outstanding balance to the credit card on file and/or disable the YesLaw Generator and/or disable hosted web access.

## Licensing Agreement

Use of the YesLaw Generator Software requires agreement to a Licensing Agreement which shall be presented upon installation of the software.

## Finalize Agreement

To finalize this Agreement, complete and email to Support@YesLaw.net. We will create your account and contact you shortly.
